

**STEPS TO TEACH  
HAZARDOUS MATERIALS EMERGENCY RESPONSE  
CSTI CERTIFIED OUTREACH COURSES**

**APPLICATION FORM:**

- \_\_\_\_ 1. Submit CSTI Application Form for either the 5 day CSTI Instructor Certification Course [HMIC], or 2 1/2 day Instructor Certification for Trainers Course [HMIT]. *The HMIT Course is for experienced instructors only* (see \*NOTES below);

**RESUME:**

- \_\_\_\_ 2. Submit narrative resume (see attached generic form) with application, showing work experience, hazardous materials experience\*, training background\*, education, special classes, etc., related to the class you wish to teach (resume must indicate at least 3 years experience in hazardous material emergency response, mitigation, investigations, cleanup, or other areas related to the class you want to teach);

\*NOTE: To teach the CSTI Technician/Specialist Modules you must also attach to your resume a "Department Head" letter verifying at least 3 years of hazardous materials emergency response experience, AND at least 80 hours of actual adult training experience.

**CSTI HAZ MAT COURSE CERTIFICATE:**

- \_\_\_\_ 3. Successfully complete CSTI Haz Mat Course you wish to teach (i.e. Haz Mat Incident Commander Course or Tech/Spec Modules C & D, etc.), and submit photocopy of CSTI Certificate with application;

**[HMIC] or [HMIT] COURSE COMPLETION:**

- \_\_\_\_ 4. Successfully complete either 5 day CSTI Instructor Certification Course [HMIC], or 2 1/2 day Instructor Certification for Trainers Course [HMIT].

\*NOTE: To take the HMIT course, you must attach to your application proof of your training experience (i.e. SFM Instructor 1A/1B Certificate, valid teaching credential, "Department Head" letter, etc.).

If you have any questions, call Jeff Paullus at [805] 549-3552
